

# DYSCALCULIA

*First LTTA in Granada, Spain on  
20-24 November 2023*

## MONDAY, NOVEMBER 20

The meeting began with the introduction of the participants to get to know each other better. After the icebreaker, the course was introduced and went over the agenda of the meeting. During the first day the results of the questionnaire was presented, analysed and reviewed.

## TUESDAY, NOVEMBER 21

On the second day we started the dyscalculia training of the week and discussed this day the Module I, II and III. In these modules the topics were the bases of dyscalculia, emotional senses of kids in stages of Infant, 1st, 2nd and 3rd cycle of primary school. Moreover the socio-emotional skills were also talked about with the number senses of these kids.

## WEDNESDAY, NOVEMBER 22

This day's meeting started with the Module IV, where the detection and warning signs of dyscalculia were discussed. In the second part of the day Module V was presented, where intervention games were the main topic and the participants created their own games too in group work. After these games were presented and tried out by the others too.

## THURSDAY, NOVEMBER 23

The fourth day of the meeting started with self-instruction training. Followed by Q&A and discussions and also course materials for dyscalculia contents were identified. At the end of the meeting there was a group work activity, where curriculum and material development was discussed.

## FRIDAY, NOVEMBER 24

On the last day of the meeting it started with the Identification of Guidance Activities For Dyscalculia and the Train The Trainer Trainings. To close the week the participants evaluated and reviewed the course and discussed the findings and knowledge. As the closing ceremony for the meeting the certifications were handed out.
