

Number Breakout

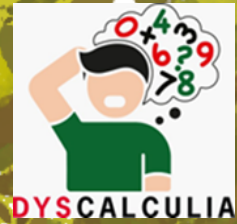

Tom, an adventurous squirrel

Start

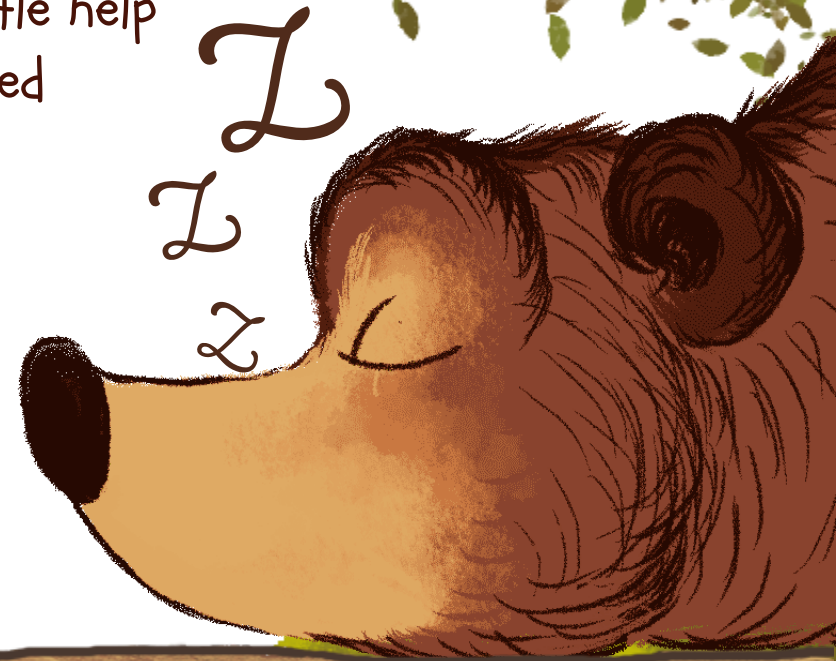

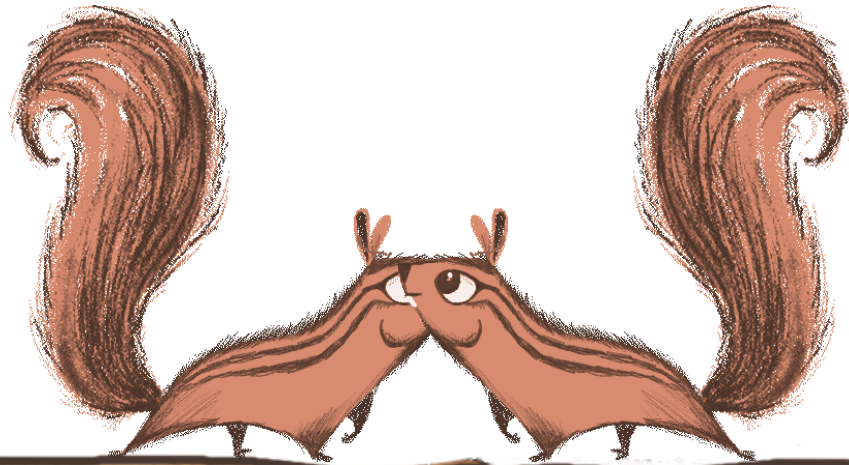

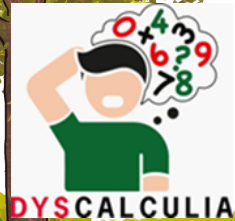

In a magical forest
lived a curious and brave squirrel named Tom.
Tom loved to learn new things and was always seeking
adventures. One day, while exploring the forest, he heard a
story about an old treasure map. He decided to go look for
it and find the reward it promised.

Then he decided to go get his friend the Great Bear to accompany him, but he was of little help because he was sleeping. And he decided to go on the journey without him.

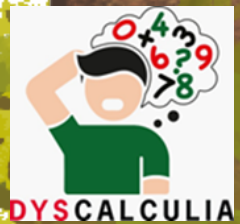

He arrived at Wisdom Mountain and the bird Pío gave him some clues that would help him find the map.

Hello, Tom! You must climb the tallest tree on the mountain and you will find what you are looking for...

Tom climbed the tree determined to locate the old treasure map and, among the leaves... he found it! The map indicated three places in the forest where the Lucky Acorns were hidden for those brave enough to follow it.

Back in the Mountain of Wisdom, the bird Chirp showed him that bright flashes were coming out of a nearby burrow, so Tom ran to see what it could be. But first, he had to overcome a challenge...

Great! Tom has obtained the first Lucky Acorn thanks to your help.

Tom returns to see the bird Pío and it tells him that to find the next acorn he must cross the River of Knowledge and, to do so, he must answer some questions. Will you help him on this mission?

Yes! The second Lucky Acorn
now belongs to Tom. Congratulations!

Incredible! You helped Tom get
the third Lucky Acorn.

Look! Right on time! The Great Bear has woken up from his nap and is looking for Tom.

Which sequence of the numbers is correct?
